Pursuing my passion for education. I am a Computer Science Engineering student from Government Engineering College, Ramgarh. Programming and making new interesting websites related to my interest excites me and I am always up for grabbing new information about the things I like. Certain skills that I have worked with include Web Development (HTML, CSS, JavaScript, NodeJs, MySQL) & Artificial Intelligence (Python). And what I might lack in skills I make up for with my determination to learn.

## Experience

### Student Coordinator at REC Student Portal

May 2023-Present

- UDAAN was the only official group of Ramgarh Engineering College created and managed by the students of REC till 2023.
